

CREATING YOUR BUSINESS PLAN

STARTING A FOOD BUSINESS CHECKLIST: WHAT YOU NEED TO KNOW!

CONSTRUCT A BUSINESS PLAN

Decide the type of food business you want to start:

The first and most important step to starting a business is constructing a feasible business plan. Your food business concept. Are you going to be a quick-service restaurant? A full-service restaurant and bar (FSRB)? Or maybe even a food truck?

ACQUIRE YOUR EQUIPMENT

For Restaurant Startup:

When it comes to the cost of things, restaurant equipment is going to be one of your most significant startup expenses. You can't open a restaurant without the proper equipment to cook the food and serve it to your patrons. That means you have to buy or rent everything from ovens to flatware, to open your doors.

ASSEMBLE YOUR TEAM

Hiring an employees!

Different food business concepts have different labor and staffing considerations. For example, if you run a food truck, it's probably just you and maybe one or two other people depending on the size of your vehicle.
